Rachael House invites you to doff your parka, brush up your desert boots and join us in Peckham Square to form, for one day only, *Peckham Peacocks*, the first ever Mobility Scooter Club.

At *Peckham Peacocks* Mobility Scooter Meet you will be able to design a club pennant, be a face at our artist-made coffee bar, have a sixties style makeover, test ride a mobility scooter and much more.

If your scooter won't pass muster, *Peckham Peacocks* skilled team of mechanics will customise it with our club colours. This free service is for mobility scooters; foot powered micro scooters, children's scooters, and all hand made DIY scooters. You won't believe how sharp it feels to be a member of *Peckham Peacocks* Mobility Scooter Club.

We will thrill to the expertise of our guests, all the way from the south coast- *The Red Wheelies*, women's mobility scooter formation team. We will even have the opportunity to join them in a line dance.

The Ace Face of *Peckham Peacocks* is Kath Serkis, founder club member, inspiration and collaborator. Onion the miniature bull terrier is club mascot, and the patron saint of *Peckham Peacocks* is Ian Dury.

Peckham Peacocks is an art event for mobility scooter riders, foot powered micro scooter riders, children's scooter riders and pedestrians.

Come along, look smart, make a noise and take up space, riders and pedestrians, with or without a mobility scooter and join the *Peckham Peacocks*.

Peckham Peacocks is commissioned by Peckham Space for the launch of their new venue on Peckham Square, 12th June 2010.

All welcome
